### MEMORANDUM

**TO:** Sunnyside Village Residents and Staff

**FROM:** J. David Yoder, Executive Director

**DATE:** May 4, 2020

**RE:** COVID-19 Virus Update

We have learned that a staff member who last worked at the Health Center on April 23, recently tested positive for COVID-19. As is standard procedure, we have called all the regulatory agencies. We have notified Health Center residents and their families and precautionary procedures remain in place.

This information update is a part of our promise to you to be transparent with COVID-19 situations on campus. Please feel free to contact me with any questions.

Thank you for your support and your prayers for this staff member.

J. David Yoder  
Executive Director
