Update to Village Independent Living Residents and Staff

Screening at the Checkpoint ...

... continues to be a high priority in our efforts to manage the campus in a way that helps residents and staff stay safe and healthy.

A couple of special notes needing your attention ...

- **Be neighborly:** you need to determine how to safely visit and maintain contact with your neighbors and friends, but find ways to connect ... no one is locking you in your home
- **Show your Sunnyside name tag** to Checkpoint personnel when you return to campus.
- **Emergencies**
 - Call Ext. "0" with any emergency
 - Call your doctor if you are not feeling well and notify Debbie at Ext. 370
- **Sunnyside Village Chapel Re-Opening**

There will be two services this week. The first service will be **Wednesday, at 10:30 a.m.** and the second service will be **Sunday at 10:30 a.m.** About 40 seats will be available for each service. Use the sign-up sheets located in the Community Center lobby to indicate which service you plan to attend in the Chapel. Face masks, while not required in the Chapel, are strongly encouraged! If you feel ill for any reason, please stay home! **The Wednesday service will be rebroadcast campus-wide on Sunday on both Channel 195 and 103 (Health Center and Manor) at 10:30 a.m.**

Continuing ...

Housekeepers must receive personal clearance from Debbie Smith or J. David Yoder before entering any resident's home - call Ext. 370 for more information.

Face Coverings: All residents should use face coverings or masks whenever they are in a common area, in the Community Center, or any other office or lounge area. Staff will continue daily screenings and will wear a face covering when in close proximity with residents, in your home, in a car, or other confined areas.

If **you do not own** a car, have quit driving, or have not left campus since March 16, you may call Ext. 266 to schedule transportation for essential medical appointments at no charge.

Deliveries from friends and family members, such as groceries and prescriptions, will continue to be dropped off for you at the Checkpoint. Packages delivered by Amazon, FedEx, and UPS are dropped off at the Checkpoint and wiped down before delivery on campus.

Shopping and prescription pickup services - pick up the proper form at the Activities Counter in the Community Center. Please ask for essential items only. We expect that if you are going off campus on your own that you will take care of these needs when you are out.

Lakeside Dining meal pickup/delivery has gone well and continues.

Bank Hours: Monday from 10:00 a.m. to 3:00 p.m. and Friday from 10:00 a.m. to 2:00 p.m.

Updated information is available on Channel 195 and the *SunnysideConnect* app. J. David will provide a brief video on Tuesday and Friday on Channel 195 - the video will run at 10:00 a.m., 2:00 p.m., and 6:00 p.m.

Permitted on Campus - residents, staff, medical personnel, caregivers, approved housekeepers, local family members, campus service providers, trades, and federal agency personnel.

Thank you!
