Update to Village Independent Living Residents and Staff

Hurricane and COVID-19 ...

... make an interesting combination. Our preparations are impacted by the need for physical distancing and other safety and health considerations. As you prepare your hurricane supplies and collect the items that you want to make sure you have during a weather event, keep in mind the lessons learned from our Covid-19 experience. You may want to add face coverings, hand gel, disinfectant wipes, etc. to your list of items on the hurricane preparation list.

The Hurricane Town Hall will be broadcast on Channel 195 through June 24, 2020, at 1:00 p.m. and 7:30 p.m. each day. Hurricane Questionnaires are due back in the Corporate Office today. We will start calling to follow up on the questionnaires we have not received. Call us if you need assistance in completing your Questionnaire.

We have become aware that there is a Covid-19 outbreak in the Pinecraft area of Sarasota. Please exercise extra caution if you need to venture into that area until this situation clears. Please remember to be proactive in taking care of yourself, wherever you go – on or off campus. It is your health that is at stake!

We are not aware of any positive coronavirus situations on campus at this time.

Current Protocols ...

Shopping on the Sunnyside bus has resumed with limited, distanced seating on the bus. Sign up at the Activities Counter.

You may invite a friend to your home with the understanding that the friend may come on campus if they agree to go directly to your home, wear face coverings while on campus, and do not go into any common areas except to enter your home. Please consider appropriate physical distancing in your home. The 25-mile radius/distance principle will apply.

Housekeepers have worked with us in helpful ways, and the arrangement seems to be working well. One thing we have learned is that housekeepers appreciate when you provide your cleaning supplies. We request that all possible precautions be taken when you have someone working in your home. Housekeepers must receive clearance from Debbie Smith or J. David Yoder before entering any resident's home – call Ext. 370 for more information.

Bank hours are Monday from 12:00 p.m. to 3:00 p.m., Wednesday from 9:00 a.m. to 12:00 p.m. and Friday from 10:00 a.m. to 2:00 p.m.

Checkpoint screening continues to be a high priority in our efforts to manage the campus in a way that helps residents and staff stay safe and healthy. Show your Sunnyside name tag to Checkpoint personnel when you return to campus.

Emergencies

- Call Ext. "0" with any emergency
- Call your doctor if you are not feeling well and notify Debbie at Ext. 370

Sunnyside Village Chapel will hold two services this week: **Wednesday, at 10:30 a.m. and Sunday at 10:30 a.m.** Approximately 40 seats will be available for each service. Use the sign-up sheets in the Community Center lobby to indicate which service you plan to attend in the Chapel. Face masks, while not required in the Chapel, are strongly encouraged! If you feel ill for any reason, please stay home! A worship service will be rebroadcast campus-wide on Sunday on both Channel 195 and 103 (Health Center and Manor) at 10:30 a.m.

Face Coverings: All residents should use face coverings or masks whenever they are in a common area, in the Community Center, or any other office or lounge area. Staff will continue daily screenings and wear a face covering when near residents, in your home, in a car, or other confined spaces. **Visitors should always wear a face covering while on campus.**

If you do not own a car, have quit driving, or have not left campus since March 16, you may call Ext. 266 to schedule transportation for essential medical appointments at no charge.

Deliveries such as groceries and food supplies from Shipt, Instacart, Grubhub, etc. can be left for you at the Checkpoint. Packages delivered by Amazon, FedEx, and UPS are dropped off at the Checkpoint and wiped down before delivery on campus.

Shopping and prescription pickup services – pick up the proper form at the Activities Counter in the Community Center. Please ask for essential items only. We expect that if you are going off campus on your own that you will take care of these needs when you are out.

Lakeside Dining meal pickup/delivery has gone well, and continues ...

Updated information is available on Channel 195 and the *SunnysideConnect* app. J. David will provide a brief video on Tuesday and Friday– the video will run at 10:00 a.m., 2:00 p.m., and 6:00 p.m.

Permitted on Campus – residents, staff, medical personnel, caregivers, approved housekeepers, local friends and family members, campus service providers, trades, and federal agency personnel.

Carpet cleaning – we have been able to clear Yoder's Carpet Cleaning service for work on campus. Call Yoder's directly at 941-342-7721 as you usually do for your carpet cleaning needs.

Other service providers or vendors – please talk Debbie Smith or J. David Yoder at Ext. 370 if you have an interest in bringing other personal service providers or vendors on campus.

Be neighborly and find ways to connect safely with your neighbors and friends.

Thank you very much!
