Update to Village Independent Living Residents and Staff

Commendations ...

... to everyone who has been proactive in helping to keep our residents and staff healthy and safe across the campus through ...

- ◇ Frequent hand washing
- ◇ Wearing face coverings in all common areas on campus, and off campus
- ◇ Wearing face coverings when another person comes into your home
- ◇ Physically distancing, on and off campus
- ◇ Verifying that your visitors have been proactive and safe in their lifestyle and home life
- ◇ Stopping at the Checkpoint so the attendants can verify your status on campus

We are grateful for the cooperation and gracious spirit you have exhibited. Thank you so much! We are in the middle of the marathon and need to persevere. May God grant us his wisdom and peace as we journey together these days.

Coronavirus update ...

We reported that one full-time and one part-time staff member had positive tests two weeks ago. They are back to work. During our staff testing last week, one Village staff, one Health Services, and one agency aide tested positive. All are quarantined and receiving medical guidance to address their situation. This past week we verified that two Village residents experienced Covid-19 symptoms, and one of the two tested positive. They quarantined immediately upon encountering the first symptoms and are working through a slow recovery process. All residents and staff that may have had any exposure to these persons were personally notified.

Visitation guidance:

- **Permitted on Campus** – residents, staff, medical personnel, caregivers, approved housekeepers, local friends and family members, campus service providers, trades, and federal agency personnel.
- **Visit neighbors** in your homes or outside, practicing social or physical distancing. Walk or meet up outdoors with proper physical distancing/face coverings when within 6-10 feet of others.
- **Family and friends from off campus** should go directly to your home, wear face coverings while on campus and not remain in any common areas. Physically distanced walks around the campus are acceptable.
- **Visitors from more than 25 miles away that want to visit your home** need prior approval from Debbie Smith or J. David Yoder before trying to come on campus.

Regarding common areas in the Garden Apartments:

- Face coverings are required in all common areas including, hallways, elevators, and lobbies.
- Please do not use the first-floor lobby areas to visit with family, friends, or neighbors.
- Second and third-floor common areas should not be used at this time for meetings, games, or gatherings, but are acceptable locations for small, quiet conversations if physically distanced.
- Be courteous to those neighbors who live near the common areas by keeping your noise levels moderated.

Sunnyside Village Chapel services have limited, distanced seating: Wednesday, at 10:30 a.m., Sunday at 10:30 a.m., and rebroadcast campus-wide on Sunday on both Channel 195 and 103 at 10:30 a.m.

Christian Life Class, at 10:30 a.m. in the Chapel. All safety and distancing parameters will be in effect, as the worship services.

When you order pizza and other food deliveries, be sure your name and address are on the delivery packages. We have had pizza and great food delivered to 5201 Bahia Vista Street, and we never did find out who ordered it.

What is happening ...

- Sunnyside Manor Assisted Living apartments are available. Contact Amy Craig -Ext. 325
