Update to Village Independent Living Residents and Staff

Coronavirus update:

We completed the campus-wide staff Covid-19 testing this past Monday – all staff tested negative. One resident in the Health Center tested positive. We have no known positive cases anywhere else on campus.

Testing is closing the Chapel on Monday, every week. Regulations now require testing staff for Covid-19 every week or two, depending on the Covid-19 status on campus and Sarasota County. Because we cannot mix persons being tested with the standard population, the entire Chapel will need to be closed to residents on Mondays. We needed a large central space and have had to allocate the Chapel for testing on Mondays for the foreseeable future. We are sorry for this inconvenience, but the completion of the testing and the disinfection requires the entire day.

Village flu shots for residents and staff are scheduled for September 17, 2020. Check with your medical doctor if you have any questions about taking the flu shot.

Visitation guidance:

- **Permitted on Campus** – residents, staff, medical personnel, caregivers, approved housekeepers, local friends and family members, campus service providers, trades, and federal agency personnel.
- **Visit neighbors** in your homes or outside, practicing social or physical distancing. Walk or meet up outdoors with proper physical distancing/face coverings when within 6-10 feet of others.
- **Family and friends from off campus** should go directly to your home, wear face coverings while on campus and not remain in any common areas. Physically distanced walks around the campus are acceptable.
- **Visitors from more than 25 miles away that want to visit your home** need prior approval from Debbie Smith or J. David Yoder before trying to come on campus.

Regarding common areas in the Garden Apartments:

- Face coverings are required in all common areas including, hallways, elevators, and lobbies.
- Please do not use the first-floor lobby areas to visit with family, friends, or neighbors.
- Second and third-floor common areas should not be used at this time for meetings, games, or gatherings, but are acceptable locations for small, quiet conversations if physically distanced.
- Be courteous to those neighbors who live near the common areas by keeping your noise levels moderated.

Sunnyside Village Chapel services have limited, distanced seating: Wednesday, at 10:30 a.m., Sunday at 10:30 a.m., and rebroadcast campus-wide on Sunday on both Channel 195 and 103 at 10:30 a.m.

Christian Life Class, at 10:30 a.m. in the Chapel. All safety and distancing parameters will be in effect, as the worship services.

When you order restaurant food deliveries, be sure your name and address are on the delivery packages. We have had pizza and great food delivered to 5201 Bahia Vista Street, and we never did find out who ordered it.

What is happening ...

- Sunnyside Manor Assisted Living apartments are available. Contact Amy Craig -Ext. 325
