### Update to Village Independent Living Residents and Staff

**Adjustments to guidance** are being made in accordance with information received from the CDC.

We will no longer be asking visitors for:

- information on domestic USA airline travel
- clearance with Sunnyside staff prior to their arrival

However, the screening process includes asking where visitors traveled from to get to Sunnyside. Visitors from international flights and cruise travel are still not permitted.

All the other guidance related to visitors coming on campus will remain for the foreseeable future. As we understand the virus, we still need to manage how people interact inside a building or a room.

### Coronavirus update:

We have no known positive cases on campus. Any campus staff or residents impacted by the virus are in recovery.

**The Chapel is closed for testing** on Monday, every week. Regulations now require that staff be tested for Covid-19 every week or two, depending on the Covid-19 status on campus and in Sarasota County.

**Stay tuned** for more information on the resumption of exercise classes!

### Visitation guidance:

- **Permitted on Campus** – residents, staff, medical personnel, caregivers, approved housekeepers, local friends and family members, campus service providers, trades, and federal agency personnel.
- **Visit neighbors** in your homes or outside, practicing social or physical distancing. Walk or meet up outdoors with proper physical distancing/face coverings when within 6-10 feet of others.
- **Family and friends from off campus** should go directly to your home, wear face coverings while on campus and not remain in any common areas. Physically distanced walks around the campus are acceptable.

### Regarding common areas in the Garden Apartments:

- Face coverings are required in all common areas including, hallways, elevators, and lobbies.
- Please do not use the first-floor lobby areas to visit with family, friends, or neighbors.
- Second and third-floor common areas should not be used at this time for meetings, games, or gatherings, but are acceptable locations for small, quiet conversations if physically distanced.
- Be courteous to those neighbors who live near the common areas by keeping your noise levels moderated.

**Sunnyside Village Chapel** services have limited, distanced seating: Wednesday, at 10:30 a.m., Sunday at 10:30 a.m., and rebroadcast campus-wide on Sunday on both Channel 195 and 103 at 10:30 a.m.

Christian Life Class, at 10:30 a.m. in the Chapel. All safety and distancing parameters will be in effect, as the worship services.

**When you order restaurant food deliveries**, be sure your name and address are on the delivery packages. We have had pizza and great food delivered to 5201 Bahia Vista Street, and we never did find out who ordered it.
