Update to Village Independent Living Residents and Staff

Hoping you experienced a blessing and shared a blessing on this unique Thanksgiving Day! We have much to celebrate despite living through the year of Covid-19. We become what we focus on – joy and thanksgiving make the difference at Sunnyside! Thank you for being a blessing every day of the year!

We need some clarification regarding hosting visitors, so here are a couple of details we all need to honor when visitors come to campus:

- When you host visitors, they must go directly to your home – and if they need to pass through a common area in a Garden Apartment building to enter your home – they must wear a face mask in the common area – just as our residents do.
- You may walk the open campus with your visitors if everyone is appropriately distanced.
- Visitors are not to enter any common areas such as the Community Center, Lakeside Dining, Chapel, and so on.
- When you invite visitors to your home, you are responsible for knowing how safe their practices have been when dealing with the coronavirus – if they have been wearing a facemask, distancing and sanitizing to keep themselves and you safe.
- Visitors who stay overnight with a resident must be screened every day at the Checkpoint or the Corporate Office, just like all Sunnyside staff do.

Coronavirus update:

A Health Center staff member tested positive in the testing last week. All the standard protocols for this situation have been enacted.

Covid-19 has increased in Sarasota County – we ALL must continue to stay proactive and careful in managing our interactions on and off campus. There are 28,822 cases in Manatee and Sarasota Counties today. The Tampa/St. Pete area has 87,630 cases. Please do not let your guard down, mask, and social distance.

Prayer around the lake

Every Friday, at 4:19 p.m., residents and staff are invited to gather on the sidewalk around the lake for a ten-minute silent prayer for people affected by COVID-19. This will be a time for quiet individual prayer while gathering in a distanced setting as Team Sunnyside. You can also join from your lanai or wherever you are.

Chapel programming is back to the regular schedule. Worship services begin at 10:30 a.m. on Wednesday and Sunday. The Wednesday Worship Service will be broadcast on Sunnyside Channel 195 on Sunday at 10:30 a.m. The “live” Sunday Worship Service will be live streamed on **SunnysideVillage.org at 10:30 a.m.; click on Media and scroll to “Watch Live.”** Christian Life Class will resume in December.

Transportation staff will be taking the temperature of the residents before transporting them to appointments. If the temperature is above 99.6 degrees, the resident will not be allowed on the bus or transported in the vehicle.

Visitation guidance:

- **Permitted on Campus** – residents, staff, medical personnel, caregivers, approved housekeepers, local friends and family members, campus service providers, trades, and federal agency personnel.
- **Visit neighbors** in your homes or outside, practicing social or physical distancing. Walk or meet up outdoors with proper physical distancing/face coverings when within 6-10 feet of others.
- **Family and friends from off campus** should go directly to your home, wear face coverings while on campus and not remain in any common areas. Physically distanced walks around the campus are acceptable.

Regarding common areas in the Garden Apartments:

- Face coverings are required in all common areas including, hallways, elevators, and lobbies.
- Please do not use the first-floor lobby areas to visit with family, friends, or neighbors.
- Second and third-floor common areas should not be used at this time for meetings, games, or gatherings, but are acceptable locations for small, quiet conversations if physically distanced.
- Be courteous to those neighbors who live near the common areas by keeping your noise levels moderated.

When you order restaurant food deliveries, be sure your name and address are on the delivery packages. We have had pizza and great food delivered to 5201 Bahia Vista Street, and we never did find out who ordered it.
